

AMENDMENT

SIR:

This Amendment dated March 10, 2003, filed in response to the Office Action dated August 17, 2001, please amend the above entitled application as follows:

IN THE CLAIMS

Cancel Claims 1-20.

Add claims:

sub. 13
Q1

Claim 21 (new) A stringed musical instrument comprising a body, a neck extending outwardly from said body, a head located opposite said body on said neck, at least one string extending from said body to said head, said at least one string having a first end and a second end, means on said head for supporting and forming a first critical point for said at least one string, means on said body for supporting and forming a first critical point for said at least one string, said first end secured to said head and said second end secured to said body wherein said stringed musical instrument includes an adjustment device comprising a means for bringing said at least one string to proper playing pitch at at least one preset tunings quickly and a separate means whereby said at least one string is fined tuned at said proper playing pitch.
